

Bright Ideas All in One Place SAP Concur Community

SAP Concur 

Have you ever run into a roadblock – whether it's with a policy question, implementation best practice, or adoption challenge – and you just don't know where to start? The good news is, as an SAP Concur customer, you never have to go at it alone.

The SAP Concur Community connects customers like you all around the world, so you can stay ahead of challenges impacting your organization and find a variety of peer-backed solutions. By offering platforms to engage in peer collaboration, professional development, and expert support, your organization can improve employee experience and get the most value out of your solution.

If you're ready to take on continual improvement of travel and spend management, **you're in good company.**

“
I don't have to do it alone.
There's a whole community out
there that I can reach out to, that
I can leverage, that I can ask
questions to...”

The Opportunity to **Connect & Collaborate**

DIGITAL COMMUNITY

The SAP Concur Community is an online space where customers can engage in discussions with their peers. Customers can find relevant topics and content to use as resources, participate in forums and groups, and stay up-to-date on the latest events.

LEADERSHIP COUNCILS

Leadership Councils were created to better understand the unique needs of organizations. Made up of a select group of customers, these groups advise and inform on how our solutions can best serve specific communities of customers.

COMMUNITY FORUMS & USER GROUPS

From smaller-scale events to regional and national user groups, **Community Forums** provide customers with opportunities to network, share, and learn in a more intimate and conversational setting.

CUSTOMER ADVOCACY

Our biggest assets are our customers who are passionate about the SAP® Concur® brand and our products. **Share your passion** with your peers and prospective SAP Concur customers through real human connections.

SAP CONCUR FUSION

The annual **SAP Concur Fusion user conference** brings customers, partners, and prospects together for educational sessions, including industry-focused learning opportunities.

To join your peers in conversation, collaboration, and innovation, sign up for [The SAP Concur Community](#) today.
